A Cordial Invitation TO JOIN US AT MERRYVALE

Dear Shorthorn Breeder:

We are hoping that you can be our guest on October 20th at Merryvale Farm when we will offer to all Shorthorn breeders the finest herd of Purebred cattle that has ever been offered in one sale.

Merryvale Farms have been breeding Shorthorn Cattle for over 30 years and has produced some of the top breeding Shorthorns of this country.

Eight years ago we purchased these farms and the breeding herd and at that time set out to improve the herd the best we knew how. We sold the undesirable animals and purchased the best we could find regardless of price. We have continued this practice at all times, and it is with the greatest regret that my other business interests requires so much of my time that it has resulted in our decision to disperse this fine herd. Before doing this we combed our herd and again culled out the animals that we thought should not be sold in a Merryvale Sale. This has resulted in leaving only the finest of Shorthorn Breeding Cattle to offer to the new owners so that they can carry on the famous blood lines that they represent.

We cordially invite your inspection of these cattle prior to the sale and hope that you can be present on October 20th.

Respectfully yours,
L. RUSSELL KELCE
Owner-Merryvale Farm

We purchased Imp. Calrossie Supreme after he had won first prize in class at the 1945 Perth Show in Scotland. Before being shipped to use for use in the Merryvale Herd, he was mated to several cows in the herd of Walter Biggar & Son, Dalbeattie, Scotland. Five bull calves produced from these matings were sold in the 1947 Perth Sale for the splendid average of \$5460. The calves by him at Merryvale Farms have developed equally as impressive.

How to Get to Merryvale Farm

Merryvale Farm is located on 15-S Outer Belt Road, one and one-half miles south and one mile east of Martin City, Missouri. IMP. CALROSSIE PRINCE PETER
(1938 — 1948)

Nearly 1/3 of this offering traces directly to the Perth Supreme Champion. Five direct daughters sell, everyone a valuable individual.

From the Merryvale Manager

Nineteen of my most pleasant and busiest years have been spent here with the Merryvale Shorthorns watching generation after generation grow and develop. I have experienced very few disappointments in each years calf crop. We have always kept and bought top cows and secured the best bulls available. I am proud to say the herd has been built up to one of the best in the country.

It is with regret that I see the herd dispersed, and yet I know that Mr. Kelce could not get the fullest enjoyment from the cattle because his business interests called him from home the greater part of his time.

Since the spring sale we have sold a number of animals privately and are down to 60 head of top quality and breeding. These we offer you knowing you will profit from every purchase.

Wm. (Bill) Milne
MGR. MERRYVALE FARMS

Sale Features

Buyers always benefit from a complete dispersion. The Cattle offered in this sale are the result of careful breeding involving the use of both top herd sires and top quality cows, retained in the herd only because they are producing and raising top quality cattle.

MERRYVALE FARM made a large offering last June; immediately thereafter a good many more cattle were sold at private treaty. The 63 head offered herein are the very tops of this famous herd.

Eight bulls including the two young herd sires, Calrossie Supreme and M. F. Goldfinder sell. You'll go a long way to find a better pair. Their records to date speak for themselves and they still have most of their useful lives ahead of them.

Fifty-five females including 31 Bred Cows and Heifers; 10 Cows with calves at foot and 14 open Heifers sell.

One of the top animals is the great cow, Princess Elizabeth, that sells as Lot 57; her daughter, M. F. Elizabeth, Lot 38, by the famous Pitodrie Upright is a near perfect individual.

Then there is the 1947 Cow Palace Grand Champion, Pearl's Pride 6th, Lot No. 54, that as a Senior yearling this year, would be hard to beat in any show.

The females have been cataloged alphabetically for convenience. Study the catalog carefully because you can plan the progress of your herd for the next twenty years by selecting some of these outstanding matrons.

LOOK for the 5 imported cows and the three daughters of Supreme Goldfinder, the two by Calrossie Mercury and the two by Edellyn Campeon Mercury.

You'll find nearly a third of the offering traces directly to the Perth Champion, Calrossie Prince Peter, including 5 own daughters.

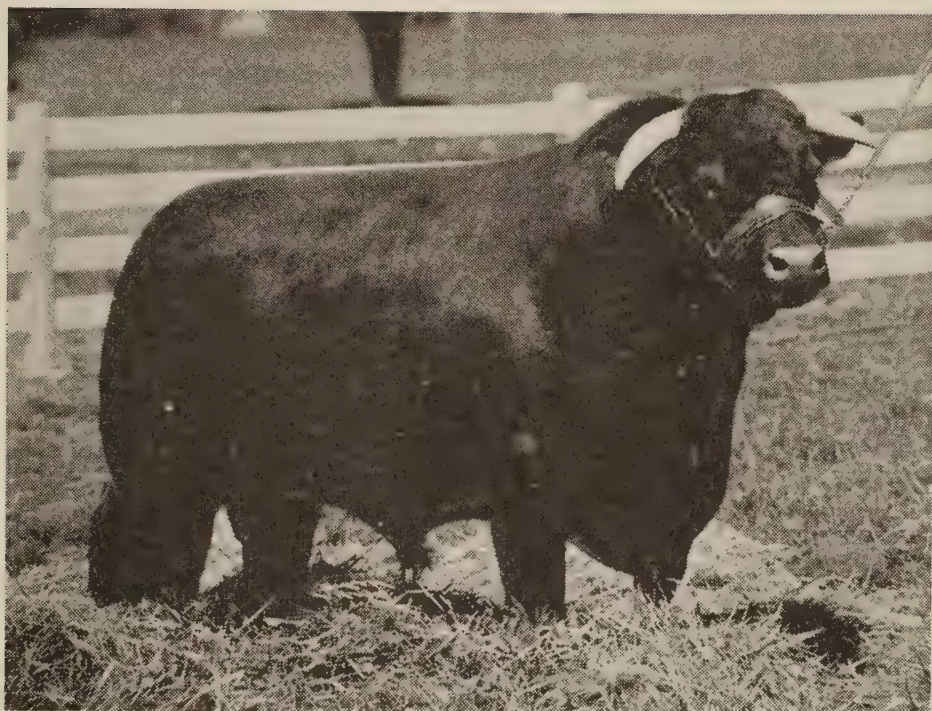

We could go on and on extolling the virtues of this entire offering because we KNOW they are good and that all of them have good production records or they wouldn't be in the herd.

This is truly a remarkable opportunity to SOLVE YOUR HERD BULL PROBLEM and to BUY THE KIND OF FEMALES YOU HAVE ALWAYS WANTED TO OWN because EVERYTHING SELLS!

MERVIN F. AEGERTER,
Sale Manager.

Calrossie Supreme—One of the best imported sires of today. His calves have those wonderful heads, strong tops and deep wide quarters that are so necessary in the improvement of today's Shorthorns. His calves develop rapidly and are easy feeders. He deserves to go to a top herd. He was purchased in the 1945 Perth Show and Sale in Scotland, by Merryvale Farms at a cost of \$10,200.00, where he was a first prize winner as well as a member of the first prize get of sire. His sire, Calrossie Supremacy, was sold to the Argentine. His dam was by the Perth Supreme Champion, Calrossie Souvenir, by the Perth Supreme Champion, Calrossie Mercury. He, by the Perth Champion, Calrossie Control. Fourteen sons and daughters averaged \$1103.00 in our June Sale.

Fairmead Countess 6th 1637923
Roan, Chas. H. Prescott

Golden Oak Countess 6th—A dark red daughter of Westmorland Prince considered by the Caraways as the best breeding son of Prince Peter. This heifer is smooth, straight in her lines, and well fleshed. Sells open and is a good thing to buy because she is the right kind with her full life ahead of her. Her full brother, Golden Oak Topsman was the first prize junior bull calf of the 1946 Iowa State Fair and was grand champion bull at Houston.
